Community Foundation Board Installs New Officers

Gurnee, IL—The board of The Lake County Community Foundation elected new officers at its November meeting. Kathryn H. Lansing, fourth generation Lake County resident and longtime board volunteer with local and national not-for-profits, was named chair, succeeding John L. Anderson, principal at Hewitt Associates and resident of Lake Forest. Mr. Anderson has served as the Community Foundation's founding chair since 2003.

Michael Froy, a partner with the law firm of Sonnenschein Nath & Rosenthal, and Margaret Moreland, vice president of Family Wealth Management at Credit Suisse Securities (USA), were elected vice chairs, succeeding Mrs. Lansing in her former officer role.

R. Gerald Fox, retired president of FIA Financial Publishing Company, was re-elected to his role as treasurer and Thomas P. McMenamin, senior equity principal at the law firm of Masuda, Funai, Eifert & Mitchell, succeeds Eve B. Lee, president Eve B. Lee & Associates, as secretary.

Mr. Anderson will continue to serve the Foundation as a member of the Board of Directors. "We will be forever indebted to John for his extraordinary leadership, kindness and support. His passion for the work of the not-for-profit sector, combined with his thoughtful guidance has put the organization on firm footing for the future," said Foundation's executive director, Betsy Dietel. Ms. Dietel continued by stating that the Foundation is fortunate to have Mr. Anderson's continued presence on the board as the organization seeks to be a philanthropic leader in the community.

The Lake County Community Foundation, an affiliate of The Chicago Community Trust, is the vehicle that builds strategic alliances and educates donors about the challenges in the county, helping develop simple, powerful and personal approaches to giving right here at home. Since 2003, the Foundation has awarded and/or facilitated grants to more than 100 Lake County organizations, totaling over \$1,000,000.
