Celebrating

REPORT TO THE COMMUNITY

CELEBRATING 20 YEARS OF GROWING PHILANTHROPY AND BUILDING COMMUNITY

THE MISSION OF THE LAKE COUNTY COMMUNITY FOUNDATION (LCCF)

is to improve the quality of life of the most vulnerable residents of the county by providing civic leadership, promoting collective philanthropy and partnering with our grant recipients.

WHAT IS A COMMUNITY FOUNDATION?

As the community foundation for Lake County, we pool local resources and invest them back into initiatives that make our community a better place for all to live, work, learn and play for generations to come. LCCF, its donors and community partners leverage collective knowledge, creativity and resources for a greater impact than any of us can make alone.

A NOTE FROM OUR EXECUTIVE DIRECTOR

Dear Lake County Neighbors,

2023 marks a significant milestone in The Lake County Community Foundation's existence – *20 years of growing philanthropy and building community*. It also marks a new beginning for us as we complete our first year of independence from The Chicago Community Trust. We are celebrating our founders and early supporters, and continue to remain true to our mission of improving the quality of life for those who call Lake County home.

This year's report honors the visionaries who came before us while serving as an open invitation for each of you to join us in our next chapter as we reimagine a county where everyone has access, resource and opportunity to succeed in Lake County. First, let us take a moment to revel in the power your generosity has had in shaping our work and community impact thus far. All of us at LCCF are excited to share updates on our continuous growth, programming and grantmaking accomplishments.

As you read on, I encourage you to think about the ways you can be a part of the process to create and sustain a thriving Lake County. There's no shortage of opportunity! And if you'd like to learn more, we're only a phone call or email away.

With appreciation,

Maggie Moraler

LCCF'S 20TH ANNIVERSARY AROUND THE KITCHEN TABLE

Twenty years ago, a group of Lake County residents gathered around long-time philanthropist Addie Morrison's kitchen table to talk about their community. They shared their frustration about what they were seeing: rapidly rising poverty rates, a wealth of philanthropic resources leaving Lake County to Chicago and a disconnected nonprofit sector. That conversation sparked what would later become The Lake County Community Foundation.

This founding group—Robert (Bob) Reusché, Addie Morrison, Prue Beidler Jerry Fox, and others—knew that a community foundation model could fill the role of a central leader and permanent charitable resource to create positive change in Lake County.

"We believed that the problems that we had in Lake County were still at a point of being solvable if we could gather the support and financial resources needed to make an impact," said LCCF Founding Board Chair, John Anderson.

In 2003, this visionary group successfully pitched their idea to The Chicago Community Trust and began rallying support around the inception of LCCF. One founder, Bob Reusché, was particularly integral in launching the Foundation. Bob generously left a \$1 million legacy bequest to open

the Robert F. Reusché Operating Endowment in 2012, which has grown to over \$7 million and continues to generate returns to support LCCF operations.

"My dad was a salesman at his core – he knocked on everyone's office door and really made a compelling case for why the county needed its own community foundation," said Reusché's daughter, Emily Selbe. "It was one of the times in his life where he was really excited because he knew he was making a difference."

The family of LCCF Founding Board Member, Bob Reusché, poses with a framed copy of a resolution in his honor.

Today, we are proud to share that we have achieved independence from The Chicago Community Trust as a separate public foundation. Thanks to the support of volunteers, staff, donors and community partners, LCCF has grown to steward 44 funds totaling over \$19 million in assets, with over \$12 million invested in Lake County's nonprofit sector.

Former LCCF Executive Director Sylvia Zaldivar (left) poses with Founding Board member Addie Morrison.

To celebrate our 20th Anniversary milestone, please consider making an honorary gift to the Robert F. Reusché Operating Endowment or establishing a named operating endowment of your own today.

EVERYONE CAN BE A PHILANTHROPIST

Think being a philanthropist means you need the wealth of Bob Reusché or Bill Gates? It doesn't! We see Lake County philanthropists from every walk of life. These local heroes give what they can because they want to see their community and their neighbors thrive.

phi·lan·thro·pist

/fə'lanTHrəpəst/
noun

a person who seeks to promote the welfare of others, especially by the generous donation of money to good causes.

Become a philanthropist by giving today!

TO: LCCF
FROM: YOUR
COMMUNITY

The Lake County Legacy Society recognizes those civic and community leaders, families and residents who have chosen to shape Lake County's long-term future by making a gift to The Lake County Community Foundation in their estate plans.

Have you thought about your legacy? You may be looking for a way to preserve your family name, honor loved ones, encourage generational giving or minimize tax burdens. Making a planned legacy gift can allow you to accomplish all of this while leaving a lasting impact on the community you love.

We help donors from all walks of life give back to their community. You may become a Legacy Society member by naming LCCF in your will, designating LCCF as a beneficiary of your retirement plan assets, or by making LCCF the beneficiary of your life insurance policy.

Contact Wendy at wendy@lakecountycf.org to learn more about the Lake County Legacy Society.

PLANNED GIVING

\$1,145,537

CRISIS RELIEF DOLLARS

\$225,000

TOTAL GRANT AMOUNT 2022

\$2,282,669

OUR PROGRAM AND COMMUNITY IMPACT

In 2022, LCCF implemented a new Program & Community Investment Strategy to guide the Foundation's work and priorities over the coming years. The strategy is informed by the principles of trust-based philanthropy, equity and addressing root causes. Our staff is committed to ensuring that we are using these lenses in our programs, grantmaking, our organizational culture and in all that we do.

Envisioning a world where relationships are built on vulnerability, transparency and humility; where community and nonprofit leaders are valued, supported and trusted; and where funders bring an awareness of power and equity to their grantmaking.

The approach that assesses resource, opportunity and access. It is a lens that considers historical and systemic factors that have disproportionately affected communities of color, and acknowledges the need for tailored, multi-faceted approaches to ensure all individuals can thrive.

Entails policies, practices and power structures to remedy complex issues. We must address the root causes of complex problems with a holistic approach to catalyze sustainable, transformational change.

OUR 3 PILLARS

ECONOMIC JUSTICE

RAPID COMMUNITY RESPONSE

COMMUNITY OWNERSHIP

OUR VISION

We envision a Lake County where neighbors have the resources and power to heal and generate pride within their neighborhoods; where all individuals have equitable access to build generational wealth and opportunities to create sustainable communities. We are shifting our philanthropic power and resources to historically disinvested communities so that everyone has access, resource and opportunity.

ECONOMIC JUSTICE

SMALL BUSINESS GROWTH INITIATIVE

Building for the Future with Community

After a successful pilot, LCCF officially launched the Small Business Growth Initiative, which will support up to four cohort participants in Waukegan's 60085 -zip code and will expand to support

start-up entrepreneurs and offer small business loans. Our grant program will provide entrepreneurs with capital to grow their business and meet their individualized goals with a group of growth minded entrepreneurs and a personal business coach.

GOALS FOR SBGI IN 2023 INCLUDE:

- Foster a more equitable environment for entrepreneurs and small business owners
- Provide collaborative space and support peer learning networks for small businesses
- Encourage participant businesses' viability and sustainability by taking an individualized approach to mentorship, technical assistance and financial support
- Create pipelines of entrepreneurship in historically disinvested communities
- Increase economic development and community engagement within priority zip codes
- Create baseline data on small businesses in Lake County

NEW AND EXPANDING PARTNERSHIPS

**Allies for
Community
Business**

**HONEYCOMB
CREDIT**

We are partnering with **Allies for Community Business (A4CB)** to provide financial capital, coaching and connections to help entrepreneurs grow their business, create jobs and build wealth in Waukegan. We are committing up to \$30,000 for each small business that wants to grow in partnership with a business coach from the program.

Our partnership with **Honeycomb Credit** will enhance our SBGI program. Honeycomb Credit is a small business loan crowdfunding platform where everyday people can invest in local businesses. LCCF is committing \$50,000 across five small businesses who want to grow and qualify for a Honeycomb credit loan.

COMMUNITY OWNERSHIP

The Foundation's Community Ownership pillar supports initiatives that are community-centric and shift decision making power to the community. LCCF recently launched a new program, Community Strength Funding, designed to financially and collaboratively support artists, compassionate neighbors and changemakers. We support people who show love for their community by using arts, culture and design to highlight community strengths and issues, voices of residents, local history or cultural infrastructure. Also, people who create additional energy, resources, activity and enthusiasm for a community issue, or ideas that reimagine how their community could look and feel.

Our first recipient, Andrew 'Drew' Gadsden, who grew up in Waukegan and now lives in Zion, IL, coordinated a summer series, "Big Drew's Ravinia Experience," for the communities of North Chicago and Zion. Drew shared with us he was inspired after attending a Ravinia concert the summer before.

"I met so many different people. We sang, danced, and shared food with each other. We came to the venue as strangers and left connected in a very special way. I then thought about my community and the need to have events that create similar bonds and memories. It led me to working with the Zion Park District

and the North Chicago Farmers Market to host two different opportunities, 'Big Drew's Ravinia Experience.'" There were so many people in addition to me that made it possible including the band, Johnny Kilroy, photographer Andre Simmons of AJK Vision, Aleshia Wilson of Bake Boss' Bodacious Sweets who made snack packs for guests, the community for accepting the idea and many more.

RAPID COMMUNITY RESPONSE

The heart of what we do as a community foundation is respond to the most urgent needs of our neighbors to make life better for all who call Lake County home. Communities are ever-changing and our responsibility is to be flexible so that those needs are being met with a timely and relevant response. Within our Rapid Community Response program pillar, we invest in organizations tackling urgent issues using community-informed solutions.

WORK UNDER THIS PILLAR INCLUDES:

- Lake County Community Crisis Relief Fund - Lake County's only permanent funding resource in times of emergencies
- Lake County Funders Call Series - monthly calls where we convene, educate and mobilize local and regional funders around emerging issues facing our neighbors
- Growing Communities Grants (formerly Basic Human Needs) - competitive grant making

HIGHLAND PARK JULY 4TH SHOOTING EMERGENCY RESPONSE

Thanks to generous donations to the Lake County Community Crisis Relief Fund following the tragedy in Highland Park, we were able to quickly mobilize and deploy \$175,000 in grants to organizations meeting the needs of our community. We are very proud to have provided grant support to the following organizations:

- Highwood Public Library
- Family Service of Lake County
- Northern Suburban Legal Aid Clinic
- Rotary Club of Highland Park/Highwood

VIOLENCE PREVENTION SPOTLIGHT:

Legacy Reentry Foundation, a new partner and grantee, supports individuals impacted by the justice system reentering society, and has youth and violence prevention programs. The founders and Executives, George and ReGina Moore, say it best, **"We are giving relentless hope to those that have felt alone for far too long, building bridges with law enforcement and community and giving resources for access to opportunity so people can make better choices."** In response to the violence across many Lake County communities, the Crisis Relief Fund is focusing on violence prevention and intervention efforts.

DONOR ADVISED FUND SPOTLIGHT

HOULT FAMILY FUND

Laura and Kris Hoult have always been active volunteers and philanthropists in Lake County, but recently found themselves wanting their dollars to have a greater impact. After learning more about donor advised funds and connecting their financial advisor with LCCF staff, Laura and Kris established the Hoult Family Fund in April of 2022.

“Every year at tax time, we found ourselves with multiple donations and contributions that we would have to piecemeal together.” Kris said. “Having a donor advised fund is a more organized way to structure and track our giving and allows us to focus on the organizations we want to have a deeper impact on. We also appreciate that LCCF staff are very knowledgeable about needs in the community and will reach out to the DAF advisors from time-to-time with specific organizations or causes that need support.”

Since establishing the fund, the Hoult family has already used it to support their favorite nonprofits and causes in Lake County. The Lake County Haven, for example, is a nonprofit close to their heart that they have long supported, serving women and children experiencing homelessness. Laura, who grew up riding and showing horses, has enjoyed volunteering and supporting Partners for Progress, which provides therapeutic horseback riding programs. And Kris is passionate about supporting food banks and other organizations addressing food insecurity in the community.

The Hoult family was also able to leverage their fund to support the Village of Libertyville first responders as well as crisis relief efforts after the Highland Park shooting.

“As long-time Lake County residents, one of our passions is to give back to the community we live in,” Kris said. “We look forward to continuing to use our fund to support needs in Lake County and make sure we are doing our part to help move the community forward.”

Please contact Wendy at wendy@lakecountycf.org to learn how you can open a fund to support the causes you care about and streamline your annual giving.

CORPORATE PARTNERSHIPS

The Lake County Community Foundation is honored to partner with local corporations, churches and businesses of all sizes dedicated to making Lake County a thriving community for all.

“Old National Bank values diversity and is focused on enhancing the quality of life within our communities. We are honored to be able to support LCCF as they work to decrease economic inequality by supporting small businesses owned by people of color. Recognizing the critical impact small businesses have in our communities, we are committed to continuing to support entrepreneurs in creating new enterprises.”

Nadine Johnson, Senior Vice President at Old National Bank

“North Shore Gas is especially proud to partner with LCCF to create economic opportunities through its Small Business Growth Initiative. Small businesses are the backbone of any local economy. They provide jobs and help build strong, stable communities by reinvesting in the area where they operate. They also boost the quality of life by expanding the variety of goods and services offered. By nurturing small businesses, the Initiative is making a long-term investment in the future of our communities.”

CORPORATE FUND PARTNERSHIP SPOTLIGHT GREYSTAR

“When considering how the Everleigh Vernon Hills project could leverage its impact beyond the immediate community, the Foundation was an intuitive resource: providing knowledge of the county’s needs, fundraising tools and management and acting as a conduit to potential grant recipients throughout Lake County. Housing the Everleigh Vernon Hills Fund at LCCF not only was a fast-track to community impact, it also allows us to extend fundraising and grantmaking beyond the development and construction teams as we pass control of the fund to the residents at Everleigh.”

- Christine Kolb, Senior Director, Development at Greystar

GIVE BACK TO THE COMMUNITY YOU LOVE

Make an unrestricted gift - If your passion is to improve life in our community, giving to our unrestricted fund enables you and others to create meaningful change by allowing us to place dollars where they are needed most. You can give cash, stock or a Qualified Charitable Distribution (QCD) from an IRA.

Contribute to the Robert F. Reusché Operating Endowment for LCCF - When you give to LCCF's operating endowment, your gift has a lasting impact in the Lake County community, as this permanent investment fund generates returns that support our operations in perpetuity.

Establish a donor advised fund - A donor advised fund is a charitable giving fund that allows your donation to grow tax-free. Then you can recommend grants over time to support your favorite nonprofits and the causes you care most about.

Join the Love Where You Live Club - The Foundation's monthly giving program, the Love Where You Live Club, when you make your gift recurring, and receive a special thank-you gift from LCCF! 100% of donations will be granted to nonprofits meeting the needs of the community.

Donate a Vehicle - Your unwanted car, truck, boat, motorcycle, SUV or even plane can have a new purpose as a donation to LCCF. Through our partnership with Charitable Adult Rides and Services, the process of making a charitable vehicle donation is quick, easy and tax deductible.

Visit our website at lakecountycf.org or use the QR code to learn more about giving opportunities at LCCF.
